Letter No: 90-112

SUBJECT: ONSITE BUY-IN PRESENTATION AND STATE BUY-IN HANDBOOK

Recent changes to the State Buy-In System and MEDS have required the development of new Buy-In procedures.

To familiarize county staff with the new procedures and programs, the Department of Health Services Medicare Buy-In Unit will offer onsite Buy-In Training to all interested counties. In addition, the State Buy-In Handbook will be revised to include all subjects new to the Medicare Buy-in program. Enclosed is a Medicare Buy-In Program Questionnaire to provide counties an opportunity to submit suggestions for Onsite Buy-In Presentations and a revised State Buy-In Handbook.

The Onsite Buy-In presentations will be provided to county eligibility workers, supervisors, trainers and other interested parties and will take place during May through June and September through November 1991, then resume in March 1992. The Buy-In presentation will take approximately 1 1/2 - 2 hours, including time for questions and answers.

The State Buy-In Handbook is currently being revised to include several new subjects not covered in the handbook published in 1987. The new State Buy-In Handbook is scheduled to be published in February/March 1991. Distribution of the handbooks will take place in April/May 1991. Among the subjects being added are:

1. Medicare Buy-In Redesign
2. Medicare Indicator Code Expansion
3. Qualified Medicare Beneficiaries
4. Qualified Disabled Working Individuals
5. Refugee Alien Information Reporting System

Please return the completed questionnaire by February 1, 1991 to Steven Yien at:
